Sleek, Modern Colors

Through BJ Tidwell's partnership with Sherwin Williams, we have expanded our range of available paint colors to include eleven gorgeous new offerings that will bring warm, fresh style to any home. BJ Tidwell's production efficiency measures ensure that even after tripling the number of colors they provide, customers will still enjoy reliable three week lead times on all solid color paint finishes. For more information go to bjtidwell.com.

Glazing Options

Glazing is a dazzling way to compliment and enhance your cabinetry in any room. Adding a glaze to any stain or paint finish adds a more sophisticated and dynamic look to your cabinetry!

Wood Types

Maple

- Open, clear grain pattern
- Smooth, uniform texture
- Color may range from creamy white to reddish brown within a panel
- Varying areas of density will absorb stain differently creating a mottled appearance

Availability

Classic & Classic II • Devonshire II • Midway II
Nantucket II • Newport II • Shaker & Shaker II
Sussex & Sussex II • Urban & Urban II

Oak

- Linear, noticeable grain pattern
- Natural, even texture
- Color may range from light tan to reddish brown within a panel
- Dramatic lines create a unique look with each color option

Availability

Classic & Classic II • Devonshire II FP
Shaker & Shaker II • Sussex & Sussex II

Knotty Alder

- Asymmetrical, dynamic grain pattern
- Smooth, even texture
- Color may range from light golden to reddish brown within a panel
- Various knot sizes are common among this species creating a rustic, informal appearance

Availability

Shaker & Shaker II • Sussex & Sussex II

Cherry

- Straight, distinct grain pattern
- Smooth, luxurious texture
- Color may range from pale yellow to reddish brown within a panel
- Small mineral flecks, pitch pockets, and areas of sapwood occur naturally

Availability

Classic & Classic II • Devonshire II
Midway II • Nantucket II • Newport II
Shaker & Shaker II • Sussex & Sussex II

Beech

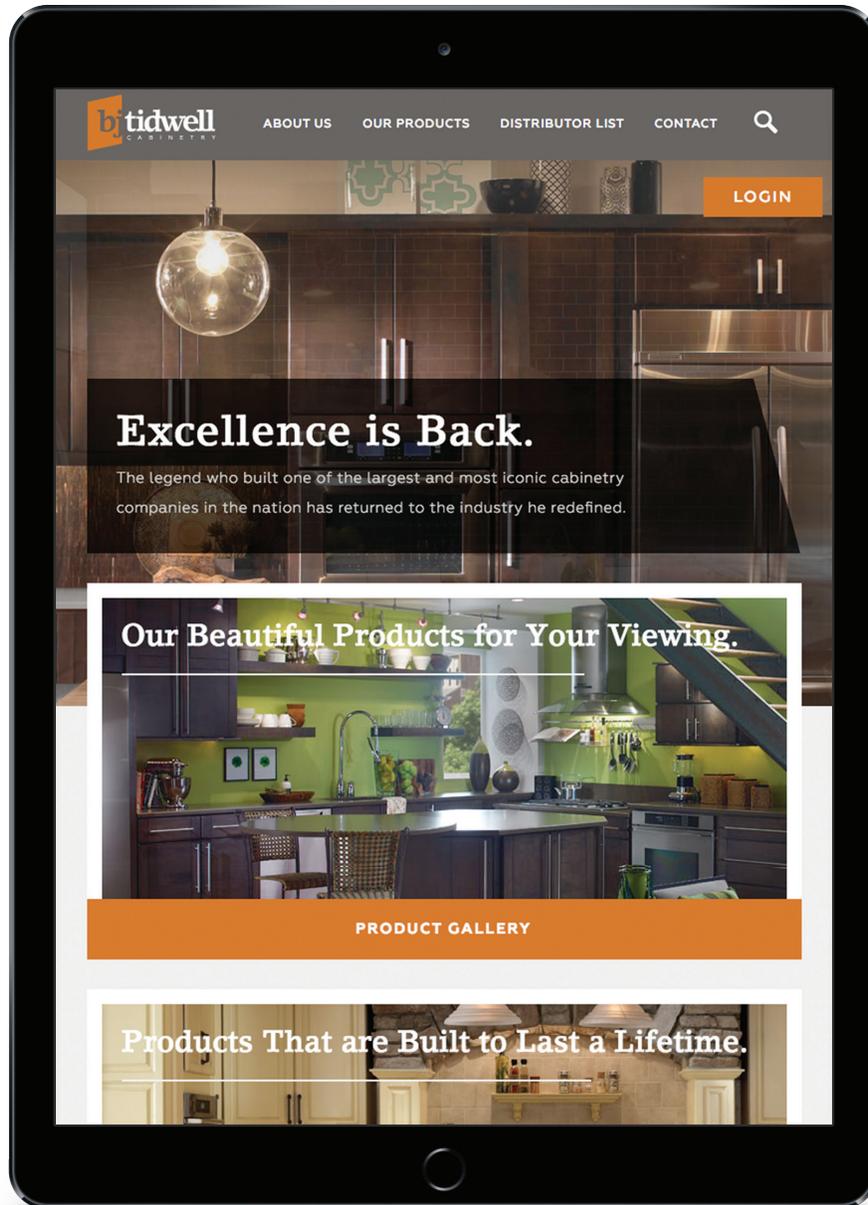

- Fine, wavy grain pattern
- Smooth, natural texture
- Color may range from pale to reddish brown within a panel
- Dense hardwood creates high abrasion and shock resistance

Availability

Classic FP • Classic II FP • Shaker & Shaker II
Sussex FP • Sussex II FP
